The second semester exam period begins on **Tuesday, June 20th**.

Refer to the back of this sheet for the date, time and room of your exams. **Morning exams start at 9:00 AM, and afternoon exams start at 12:45 PM.** Students should be at their exam rooms **10-15 minutes prior to the exam start time.** Exams will be written in the gymnasium with the exception of those indicated on the schedule. Students with assessment adaptations to write in an alternate setting will report to the Resource Room, as directed by the resource support staff, Ms. Siddall, Mrs. MacKay and Mr. Haley.

Not all subjects have a formal exam; an alternative final summative assessment will be completed, as assigned by the teacher. If you believe that there is an exam missing from the schedule, confirm with your teacher – he or she may have elected to give a different form of final evaluation.

If you have two exams scheduled for the same time, please consult your teachers to determine which exam will be written as scheduled and when the other exam will be written. The list of students with exam conflicts was provided to teachers.

Students are required to be present for their exams, but they are permitted to study at home on days for which they have no scheduled exam. If a student is at school when he/she is not scheduled for an exam, he/she will need to report to designated study areas.

Students will be dismissed no earlier than thirty minutes before the scheduled end of the exam if they have finished. There is to be no talking during the examination period, even if you feel you have finished your exam.

A student may apply for an exam exemption (for one course) if they meet the following criteria:

- i) Has accumulated **NO** unexcused absences in any course
- ii) Has accumulated no more than 6 excused absences in any course
- iii) Has not accumulated any out-of-school suspensions in the semester.

Report cards will be distributed on the morning of Friday, June 30th, the last day of school. Students will be present for a school-wide assembly and then return to homeroom classes to receive report cards (**at approximately 10:00 am**). **No report cards will be distributed early.** If you cannot be present due to a conflict, please arrange for a parent to pick up your report card in the main office (between 10:30 am and 1:00 pm). Please note that after this time, the school (including the office) will be closed until mid-August.

Good luck! Study hard!
